

REGISTRATION INFORMATION

Registration includes syllabus, animate skills lab, continental breakfast, refreshment break and lunch. Registration is on a first-come basis and is limited for optimal hands-on experience in the animate lab. Register by mail using the tear-off form, by fax, phone or on-line with a credit card. Advance payment secures your participation in the program.

Late Registration and Cancellation Policy

After Friday, March 16, register on a space-available basis by calling the Case CME Program at 216-844-5050 or 800-274-8263. Full refunds will be made for cancellations on or prior to March 16 only.

Four Ways to Register

1. **Mail** this registration form with your check or credit card number to:
Registrar, Case/UHHS CME Program
11100 Euclid Avenue
Cleveland, OH 44106-6026
2. **Fax** this form with your credit card number to (216) 844-8133
3. **Call** (216) 844-5050 or (800) 274-8263 with the information requested below and your credit card number
4. Register **on-line** at <http://cme.case.edu>

CASE COMPREHENSIVE HERNIA CENTER

2nd ANNUAL

Hernia Symposium

An Advanced Course in Minimally Invasive and Open Approaches to Inguinal, Ventral and Hiatal Hernias

March 30, 2007
COURSE DIRECTOR
Michael J. Rosen, MD

Register on-line at <http://cme.case.edu>

Course Description

This course is intended to teach laparoscopic and open techniques for ventral, inguinal, and hiatal hernia repair, to discuss the different prosthetic materials available, their application and association with the healing process, and to describe the techniques used for minimally invasive access in the multiply-operated abdomen.

Educational Objectives

Upon completion of this course participants will be able to:

1. Identify the techniques of laparoscopic surgery for ventral, inguinal, and hiatal hernia repair.
2. Recognize the different prosthetic materials, and their appropriate applications in hernia repair.
3. Identify techniques for access to the multiple reoperated abdomen.
4. Explain the anatomy and indications of laparoscopic inguinal hernia repair.
5. Interpret the literature of open and laparoscopic hernia repair.

Continuing Education

The Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Case Western Reserve University School of Medicine designates this educational activity for a maximum of **8.0 AMA PRA Category 1 credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Acknowledgment

The Case/UHHS CME Program acknowledges a grant-in-aid for support of this course from:

Acceptance of funding in support of this program does not constitute endorsement of any product or manufacturer.

Policy Disclosure The policy of the Case School of Medicine CME Program (Case) requires that the Activity Director, planning committee members and all activity faculty (that is, anyone in a position to control the content of the education activity) disclose to the activity participants all relevant financial relationships with commercial interests. Disclosure will be made to activity participants prior to the commencement of the activity. Case also requires that faculty make clinical recommendations based on the best available scientific evidence and that faculty identify any discussion of “off-label” or investigational use of pharmaceutical products or medical devices.
