## Web Symposium Description

---

This interactive web based seminar will summarize the key steps to the five VATS lobectomies and four basic VATS segmental resections. Each procedure will be detailed by an expert in VATS resection and commentary will be provided by other experts in the field. Calls and questions will be fielded by participating surgeons from around the world. An on line chat room will be available for attendees to discuss different techniques and instruments.

---

## Educational Objectives

- Understand incisions, instruments, and technical details of VATS lobectomy and segmentectomy.
- Gain exposure to different in incisions, instruments, and techniques used by different surgeons throughout the country and world.
- Understand alternative approaches to VATS dissection.
- Learn to handle difficult situations during VATS resection.

---

### Continuing Education

The Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Case Western Reserve University School of Medicine designates this education activity for a maximum of     AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Acknowledgment

Educational grants from corporate sponsors in support of this course are gratefully acknowledged. Acceptance of funding in support of this program does not constitute endorsement of any product or manufacturer. A full listing of supporters will be provided in the course syllabus.

**Policy Disclosure** The policy of the Case Western Reserve University School of Medicine CME Program requires that the Activity Director, planning committee members and all activity faculty (that is, anyone in a position to control the content of the education activity) disclose to the activity participants all relevant financial relationships with commercial interests. Disclosure will be made to activity participants prior to the commencement of the activity. The Case Western Reserve University School of Medicine also requires that faculty make clinical recommendations based on the best available scientific evidence and that faculty identify any discussion of "off-label" or investigational use of pharmaceutical products or medical devices.

The minimum system requirements to attend this live web symposium include:

---

- **PC-based attendees:** Windows® 2000 or newer, XP Home, XP Pro, 2003 Server, Vista with speakers.
- **Macintosh®-based:** Mac OS® X 10.4 (Tiger®) OR NEWER with speakers
- **Internet Explorer 6.0** or greater, Safari 3.0 or greater, or Firefox 2.0 or greater Adobe Flash Player 8.0 or greater
- **For optimal viewing/participating experience,** participants should have at minimum 1 Mb/s download speed; 384 Kb/s upload speed\* For an ideal Connect experience, we recommend participants join in on a DSL connection or higher and be hard-wired to the internet (i.e. not wireless)

\* Attempting to view or participate in the meeting with a configuration which is lower than minimum requirements will result in dropped audio, video or both.

## Live International Web Symposiums

*Tricks of the Trade in Urology:  
Innovative Solutions to Common Problems  
November 18, 2010*

*2nd Annual Tricks of the Trade: Pediatric Surgery  
March 4, 2011*

*Tricks of the Trade: General Surgery  
June 10, 2011*

*Tricks of the Trade: Colorectal Surgery  
September 9, 2011*
